**WASHINGTON** (Oct. 17, 2016) – United Van Lines honored Armstrong Relocation – Dallas with the prestigious Customer Choice Award at the 2016 UniGroup Annual Convention in Washington, D.C., held Oct. 9-16.

Michael Gonzales, President of Armstrong – Dallas, realizes that winning the Customer Choice Award is a direct result of consistent effort from the Dallas team, providing quality, reliable services to its customers.

“As they say, it takes great teamwork to make the dream work,” Gonzales said. “We take great pride knowing that we were recognized by our clients and how they felt about their move experience from the moment they met our salesperson to the placement of the final piece of furniture in their new home.”
